

*For fish to taste good it needs to swim three times
in the sea,
in butter
and finally in wine.*

Polish proverb – one of George Mure's favourites!

Since the opening of Mures Fish House
in Battery Point in 1973,
the Mure Family have been proud supporters
of local produce.

Today, some 40 years later,
our beverage selection has an emphasis
on some of the best of Tasmania's wine, beer and
most recently spirit industries.

We round our beverage list off
with a selection from Mainland Australia and
imported offerings from both
the old and new world of winemakers.

George Mure Range

Glass \$11 Bottle \$45

The George Mure range of wines pays homage to our founder – George Mure. George, whilst some might say was just a fisherman, was also rather adept at running a restaurant.

George knew the secret to cooking good seafood was not to over complicate. These wines follow that principal, they are uncomplicated wines well suited to a range of seafood.
