How to find us

Nestled in a gully behind Barkers ridge, with the Rubicon State forest as a backdrop, the Rural Learning Centre is located on a 660 acre property that features a working cattle farm, agro forestry and a wildlife zone. Lush pastures grazed by Charolais and Angus cattle roll down towards Snobs Creek on one side and lie alongside dense bushland punctuated by rocky outcrops at the back.

Spectacular views out over the valley towards the Goulburn River and surrounding ranges heighten the visual drama and sensory experience.
