Graduate Nurse Program

Our graduates

As a Wesley Hospital graduate you will be part of a world-renowned health care team, working in one of Queensland's most complex and high acuity hospital environments.

The Wesley Hospital prides itself on nurturing graduates and providing career opportunities in over 35 different clinical specialties. Our reputation for graduate support, retention and success has become a benchmark for other programs within the industry.

About us

The Wesley Hospital, owned and operated by the Uniting Church, is one of Australia's leading private tertiary hospitals. With 524 beds, the hospital is known as a 'magnet hospital' attracting and retaining highly qualified and caring staff. There are over 2,300 staff at the Wesley and a further 800 specialists accredited to practice at the Wesley.

The Graduate Nurse Program is a 12 month program, consisting of two six month rotations.

Our program is fully supported and provides:

- + placement and rotation within our diverse clinical specialties
- + structured graduate nurse study days
- + professionally facilitated debriefing sessions and regular meetings
- + genuine preceptorship support
- + extensive educational opportunities across all specialties, some which transition into a post graduate certificate in nursing

There are two different streams within the program – clinical and peri-operative. You may choose either stream.

Clinical Stream – areas include:

- + Acute Medicine
- + Cardiology
- + Coronary Care*
- + Dialysis*
- + General Surgery, Colorectal & Hepatobiliary
- + Neuroscience
- + Oncology**
- + Orthopaedics
- + Palliative Care
- + Rehabilitation
- + Respiratory
- + Urology
- + Women's Health, Plastics & Vascular

**after 6 months **you may specialise your program in oncology*

Intensive Care, Emergency and Anaesthetics positions may be available after completing the Graduate Nurse Program.

Peri-operative Stream:

- + Operating Theatre (Scrub/Scout), commencing first rotation and offered as a full year placement only
- or
- + Post-Anaesthetic Care Unit (Recovery) & Anaesthetics, commencing second rotation only, 6 months in each area commencing in PACU.
