

Expressions of Interest - Community Advisory Committee

Are you looking for an opportunity to contribute to the Hepburn Shire community? Are you passionate about health and wellbeing of local people?

The Board of Hepburn Health Service is inviting expressions of interest from Hepburn residents for the newly established Community Advisory Committee. The Committee will consist of two representatives each from Clunes, Creswick, Daylesford and Trentham.

Appointed Committee representatives will have an opportunity to contribute to:

- innovative strategies that are responsive to community need;
- opportunities to enhance the Hepburn Health experience for clients, patients and residents;
- bringing the perspective of the community into our planning and programs.

In the first 12 months, the Committee will be focused on:

- the development of Hepburn Health's overall approach to consumer and community engagement to ensure a diverse range of voices and opinions;
- establishing channels for local input across Hepburn Shire;
- providing input in to Hepburn Health's future strategic direction.

Committee members are required to:

- be active in the community, with strong community networks and a sound understanding of local or regional issues;
- contribute consumer, carer and community perspectives and reflect on and present community issues, rather than focusing on personal concerns or individual issues.

For more information on the requirements and expectations of committee members, please visit hhs.vic.gov.au or contact Michelle Chiller on 03 5321 6542.

Applications close: June 15, 2018.
