We have in particular a triples game that is holding up the works with many of the players being unavailable next weekend. Could these players please try to organise between themselves to get this game played during the week and let me know. That is: B. Cullen, T. Parker & G. McLenaghan (or Sub) v's K. Berry, N. Heywood & G. Hemmings. Depending on the number unavailable for the weekend after next, we may need to have some other games played during the week to get all our comps finished. Thanks all.
