About HPS

HPS Pharmacies is a leading supplier of pharmacy services to health facilities around Australia. Our all-encompassing service list includes the delivery and provision of medications and clinical services, pharmaceutical advice, and stock management systems and processes.

We service over 200 clients nationally, with operations in all states across Australia. HPS Pharmacies' national office is based in SA, with additional corporate offices located in both NSW and VIC. HPS employs over 350 staff, dedicated to providing quality service to our clients.

Founded in 1975, with more than 35 years experience you can be assured that HPS can deliver on your pharmacy service requirements.

Specific Services We Provide

HPS can tailor a service to meet the needs of your health clinic. We offer:

Imprest/Pharmacy Stock Management

HPS offers a range of imprest management services, minimising the cost of storing stock and promoting more timely management of stock levels. HPS Pharmacies provides timely access to medications, streamlining medication management, and delivering a cost effective service with the inclusion of PBS entitlements.

Pharmaceutical Product Supply

HPS Pharmacies' strong relationships with key suppliers, expansive warehousing capabilities and national purchasing power ensures we can deliver our clients a diverse range of medications at cost competitive prices.

Clinical Pharmacy Services

Our experienced team of clinical pharmacists provide patient pharmacy care, pharmaceutical management and client support services in accordance with best practice standards. As a HPS client you receive access to publications and critical advice about drug interactions, dosages and potential adverse drug reactions, endorsing the quality use of medicines.

Other services and benefits HPS Pharmacies can provide to your facility include:

- Competitive prices – HPS Pharmacies' national purchasing power delivers highly competitive prices, resulting in savings for you
