Advantages of AGM batteries:

- Multipurpose battery, ideal for starting, deep cycle and standby applications
- High charge and discharge rate
- Totally maintenance-free
- Spill proof/ leak proof
- Installs upright or on side
- More economical than gel cell batteries
- Cabin safe - very low to no gassing
- Superior for shorter duration/higher discharges
- Vibration resistant - heavy duty, long lasting

Battery Cycle Life VS DOD Ultimate Xtreme

Ultimate Xtreme is manufactured for MPower and sold throughout Australia via Battery World.
