

EVERYDAY WATER SAVING MEASURES

Rebates from Rous Water

Rous Water offers rebates to residents for installing a rainwater tank. Rainwater tanks are easy to use and are available in styles to suit most homes. Rainwater tanks can also provide you with free water all year round and are not affected by water restrictions.

RESIDENTIAL RAIN WATER TANKS

UP TO **\$1000*** to purchase and install a rainwater tank

CONNECT ALL YOUR TOILETS

PLUS **\$620** when you connect your rainwater tank to all toilets

CONNECT YOUR WASHING MACHINE

PLUS **\$550** when you connect your rainwater tank to the washing machine

Everday Water Saving Measures are currently active for all areas supplied by Rous Water. The Bureau of Metrology is predicting a strong El Niño event is likely to persist until early 2016. During El Niño events the region is likely to experience below-average rainfall and increased temperatures. Rous Water encourages all residents to adopt these **Everday Water Saving Measures** to ensure sustainable water usage throughout the region. To find out if you are in a Rous Water supply area visit www.rouswater.nsw.gov.au.

Saving water around your home

OUTDOOR WATERING

Outdoor watering and water use is permitted between 6 am and 10 am and between 3 pm and 10 pm.

This applies to the use of all types of sprinklers, watering systems, hand-held hoses, watering cans and buckets, topping up swimming pools and outdoor spas.

HAND-HELD HOSES

All hand-held hoses should be fitted with an on/off nozzle. Trigger nozzles are preferred.

CLEANING VEHICLES AND BOATS

Where possible, vehicles and boats should be washed on the lawn or where the water will run off onto the lawn or garden.

Hoses should be fitted with an on/off nozzle. Trigger nozzles are preferred.

DRIVEWAYS, PATHS AND PAVED AREAS

Water should not be used to clean driveways, paths, paved areas unless it is necessary as a result of an accident, fire, hazard to health or the environment, or other emergency.

High pressure water cleaners using 10L/min or less are recommended.
