## **SUPERVISION REQUIREMENTS**

Parents or guardians are required to supervise their children who are NOT participating in an activity, who are waiting for an activity to commence or who have completed their activity.

Children are NOT to use the equipment unless under the supervision of a coach or as part of an organised class.

Children wandering around the Club and through activity areas breach our Duty of Care requirements. Unsupervised children pose a safety threat to themselves and to others taking part in activities.

Parents who don't supervise their children may be asked to leave the premises in the interests of the safety of Club members and guests.
