

Basic Extras 55%

Key Facts Sheet

Basic Extras 55%

If you only need the commonly used services such as optical, the occasional alternative therapy treatment and a regular check-up and clean at the dentist, then our Basic Extras cover may be all you need.

Budget Direct Health Insurance will pay 55% of what your treatment costs. You pay the other 45%.

Extras Services

Extras Services	Waiting Periods	Yearly limit (maximum you can claim per person unless otherwise stated)
Dental Total Overall Dental limit includes benefits for General and Major dental services. The benefits shown are the annual limits for each type of dental service.
