

Speech Therapy

Drop In Centre

FREE

& Weekly Playgroup

From babies to 5 year olds

- Do you wonder if your baby should be making sounds by now?
- Are you concerned about your child's speech sounds or words?
- Does your child appear to have difficulty understanding you?
- Do other people ask - > "*What is your child saying?*"
- Are you worried about your child's language being ready for school?

Anyone is welcome to come along for a fun and interactive time with a fully qualified Speech Pathologist and final year speech pathology students. Drop in for a chat or a play with other families. Feel welcome to ask for assistance with your child's speaking skills, including; making sounds; talking in sentences; understanding others and getting children to pay attention and listen. There will be activities to promote speech and language development and strategies for managing frustrated behaviour when your child can't be understood so tantrums, "hits out", bites or cries. No referral needed. Just turn up and spend some time with other adults who know just how hard it can be to get young children listening, looking and talking!

Every Wednesday at 10am till 11.30am

Dolphin Cottage Schools as Community Centre

in Blue Haven Community Centre, Colorado Drive

Please phone Wendy for information

43 908524 or 0409 800821
