Important Note

You are liable to pay Australian Central Credit Union Ltd trading as People's Choice Credit Union ("People's Choice Credit Union"), all government taxes and expenses incurred in relation to this deposit and People's Choice Credit Union may deduct these expenses from any account you have with them.

Renewals – Unless advised otherwise by the account holders or authorised signatory in writing, investment funds will be renewed automatically at maturity at the interest rate current at that time.

Early Redemptions/Withdrawals – You may make a full or partial withdrawal of funds from your Term Investment at any time during the term of the investment. However, if you withdraw all or part of your funds from the Term Investment prior to maturity (Early Redemption), we may charge you an Early Redemption fee. Please refer to our Term Investment Accounts Terms & Conditions and Fees & Charges document. You must give us no less than seven days notice if you wish to make an Early Redemption.

If you make a partial Early Redemption, the term applicable to the Term Investment and type of interest repayment applicable to the Term Investment will continue, however the interest rate payable will decrease if the remaining balance is less than the applicable minimum balance for your term and interest rate. The interest rate that will apply to the remainder of your fixed term will be the applicable interest rate at the time of partial redemption based on your remaining balance and original fixed rate term, but will be no greater than your original rate.

If a partial withdrawal would cause the balance of your Term Investment to fall below the minimum balance required, you must redeem the account in full.
