A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. Astra

Holden
Let's go there

Astra RS-V shown in Absolute Red

Built in Europe. Made for Australians.

The all-new Holden Astra is designed, engineered and built in Europe for drivers who demand class-leading luxury, ground-breaking technology and cutting-edge style. This is a European car perfectly in tune with Australian conditions; exciting to own, exhilarating to drive and exceeding expectations with a level of sophistication you simply will not find in other cars in this category. The look is bold and sleek with dynamic alloy wheels, complemented by signature LED daylight running lamps, LED tail lights¹ and an electric sunroof³. Inside, you'll find fastidious attention to detail; like a heated leather steering wheel¹, heated leather-appointed sports seats¹ and a power lumbar adjustment¹ to make you even more comfortable in the luxurious interior, bathed in subtle LED ambient lighting¹. Important vehicle, infotainment and navigation information is displayed directly in front of you in a 4.2" colour Driver Information Centre (DIC)¹ and an impressive 6-speaker premium audio system will keep everyone entertained. Other extras you'll enjoy are rain sensing wipers⁵ automatic headlamps with tunnel detection² and remote start⁴, allowing the cabin to return to a comfortable temperature before you get in.

¹ RS-V only
² RS and RS-V only
³ Optional on RS-V as part of Touring Pack or Innovations Pack
⁴ Available on RS-V with automatic transmission only
⁵ Available RS, RS-V and R fitted with optional Driver Assist Pack

Innovative technology puts you first.

Award-winning Astra comes loaded with class-leading innovative technology designed to give you more control and entertainment on the road. Apple CarPlay® and Android® Auto® phone projection technology takes the things you like doing with your phone and puts them on the 8" colour touch-screen® in front of you. Get directions, make calls, send and receive messages, and listen to music - all in a way that allows you to stay focused on the road ahead and connected to the world around you. Game changing new technology will revolutionise your driving experience, giving you more control and comfort than ever before. Intellilux Adaptive LED Matrix headlamps⁷ give a brighter, wider, more even spread of light that also adapts to the driving conditions to ensure maximum lighting with minimum distraction to other drivers. Adaptive Cruise Control³ brakes and accelerates for you, maintaining a gap with the vehicle in front and

the Rear View Camera always comes in handy. The infotainment also features integrated Sat Nav¹ and navigation via your smartphone's Apple Maps® or Google Maps® so you'll never get lost, Advanced Park Assist² makes parking the Astra in tight city spots, once you've found those hidden gems, a breeze.

1 RS-V only
2 RS and RS-V only
3 Optional on RS-V as part of Touring Pack or Innovations Pack
6 8" on RS-V, 7" on R and RS
7 Available on RS-V with Innovations Pack only
8 Requires compatible device.
See apple.com or android.com for more details

Astra RS-V shown

Astra RS-V shown in Absolute Red

Breathtaking performance. Breakthrough safety.

World class engineering gives the new Astra dynamic responsiveness and high performance. With a completely new vehicle architecture and clever use of materials, the Astra combines elegance with efficiency through a significantly reduced bodyweight. This combined with the turbocharged engine means superior performance is achieved at all engine speeds. With a Blind Spot Alert² and 6 airbags, you know you'll always be well protected, but this new Astra takes active safety technology to a whole new level with HoldenEye^{®5}.

HoldenEye[®]

HoldenEye^{®5}, a forward facing camera system that tracks and monitors the area around the front of the vehicle, makes its Australian debut in the new Astra. Providing greater protection for you and your passengers, it looks out for and helps you to actively avoid potentially dangerous situations.

- Lane Departure Warning lets you know when you inadvertently drift out of your lane and Lane Keep Assist helps you steer back on course.
- Forward Collision Alert with Head Up Warning alerts you when you're approaching too fast on the vehicle in front and Following Distance Indicator tells you your following distance.

- Forward Looking Brake Assist applies greater force to ensure the vehicle is under maximum braking ability, if you fail to apply full force braking.
- Automatic Emergency Braking detects when a collision is imminent and applies the brakes to help reduce the risk or severity of a collision.

² RS and RS-V only
⁵ Available on RS, RS-V and R fitted with optional Driver Assist Pack
HoldenEye[®] is a registered trademark of GM Holden

Shown in Summit White

Astra R.

Expect big things from this small European car.

Astra R is big on performance with a 110kW 1.4L turbo-charged direct injection engine with 6-speed manual transmission or the option of a 6-speed ActiveSelect automatic transmission. Lifetime Capped Price Servicing.[^]
Lifetime peace of mind.

Know the cost.

You'll know exactly what you'll be charged for each scheduled service before you even drop off your car.

Your car is being taken care of.

With trained expert technicians using only Holden-approved parts and fluids, sleep easy knowing your car is taken care of.

Every Holden in Australia.

As one of Australia's biggest Capped Price Servicing[^] programs, we're proud to offer you complete service cost transparency on every Holden ever built, dating back to 1948.

Calculate the cost of servicing your Holden using the online calculator at holden.com.au/completecure

No surprises, no uncertainty, no worries.

Lifetime Capped Price Servicing[^] is just one of the many ways that Holden Complete Care puts you first.

We're also pleased to offer you our new *Take Your Time Test Drive*. Now we give you the option of a 24-hour test drive when you are choosing a new car, so you can get to know any Holden on your terms.[#]

And of course, no matter which new Holden you choose, it's reassuring to know that every new vehicle is covered by a *3 year/100,000km Warranty*.^{*}

What's more, with Holden Complete Care you get the added peace of mind of one year's *Roadside Assistance*, in case you should ever need it.

With Lifetime Capped Price Servicing[^] and lots more, Holden Complete Care is our way of caring for you and your car.

Take Your Time Test Drive

3 year/100,000km Warranty^{*}
