Full Fee Paying Overseas Student (FFPOS) Policy

Maranatha Christian School allows access to its courses by overseas students. The Commonwealth of Australia legislates and proclaims regulations to which providers and students are expected to adhere.

1. Maranatha Christian School seeks to be obedient to the laws of Australia, and affirms its adherence to the principles of Australian democracy.
2. Maranatha Christian School does not enrol Full Fee Paying Overseas Students for profit, but to cater for the perceived need for places in Christian Schools in Australia for students from Christian families in other countries.
3. The school expects Overseas Full Fee Paying Students to strive to adhere to the school's motto "My Utmost for His Glory".
4. The school welcomes FFPOS and wishes them every success with their studies in Australia. There is a wide range of academic subjects and co-curricular activities to choose from and we encourage students to become fully involved in all aspects of school life. Such involvement is enriching to the students and assists in developing a sense of belonging to the school community.
5. Socio Economic Status (SES) of the school is presented in the School Prospectus and on the website www.maranatha.vic.edu.au which includes information about educational qualifications required, standards, local suburban environment, campus locations. Cost of living indicators are discussed in the context of the homestay environment at interview. We serve a middle class community in the Doveton, Endeavour Hills, Berwick and Officer corridors to the south east of Melbourne. SES score for Maranatha is 99.
6. Academic Program:
Maranatha Christian School offers a comprehensive, challenging and robust academic program from ELC to Year 12, including a wide range of subjects from the faculties of Languages (including Indonesian, Mandarin and others (by Distance Education), Mathematics, Science, Humanities, Commerce, the Arts, Information Technology, Technology Studies, Physical Education and Bible Studies. Detailed course descriptions are available in the Course Handbooks for each year level. Maranatha has high expectations for students, and the school consistently achieves results well above average.
7. Maranatha students have an excellent record of academic achievement with excellent academic results achieved at the end of Year 12. A significant number of students enrol at Melbourne, Monash, Deakin and Latrobe Universities, the Victorian University of Technology and TAFE Colleges.
8. Co-curricular Activities
Students are required to participate fully in all aspects of the life of the school. Camps and sporting activities are compulsory and students are also encouraged to be involved in cultural activities including music, drama, clubs and societies.
9. The school is aware of the conditions of entry into Australia and while it attempts to ensure that students comply with these conditions, this is in the first place the students' own responsibility.

10. School fees are charged as per the enclosed Schedule. A statement of school fees will accompany the acceptance advice form.
11. The school will refund school fees as per its Full Fee Paying Overseas Student Fee Refund Policy.
12. Students' fees are indemnified in accordance with Government regulations.
13. The school will only issue acceptance advice forms to students who:
 - a. Have suitable homestay accommodation with a parent or legal Guardian (relative) in Victoria and within reasonably close proximity to the school. The school requires evidence of this arrangement. Such evidence will be kept in the student's personal file at school.

22. The school does not operate a boarding facility or organise homestay. It is expected that overseas organise their own home stay with a parent, or a suitable relative, in Australia. Where the living arrangements for a student under the age of 18 have changed, or where the school can no longer approve of the student's accommodation the school shall as soon as possible advise DIMA in the prescribed manner.
23. Until the student attains the age of 18, they are required to live with a parent or guardian who is a relative.

24. The school will provide such information as is necessary for the student to settle into the Australian environment as quickly as possible. It sees this as vital to the success of its program and therefore accepts students only in year 10 or below. This gives students the opportunity to adapt to a new culture and in many cases, a new language prior to commencing the strenuous two-year VCE program. In most cases it is expected that students applying for places will have relatives or close friends with whom they will be accommodated and the school believes that such contacts are invaluable in providing accurate and suitable information about Australian conditions.
