

ALOE VERA - NATURE'S HEALER

Aloe Vera, (Aloe Barbadensis Miller), is packed with vitamins, minerals, enzymes, amino acids and unique polysaccharides that provide powerful, natural soothing relief and healing for young sensitive skin. It penetrates deep into the layers of skin, providing healing from the inside out. Anti-inflammatory and antibacterial properties treat and protect the skin from irritations and inflammation.

ALOE VERA AT WORK

Skin Burns

This toddler burnt her hands, so Aloe Medicated Skin Cream and Pure Aloe Gel with Manuka Honey were continually applied. This immediately soothed and completely healed the injury in just over one month.

Skin Allergy

This young girl woke up feeling physically sick and itching with inflamed rashes all over her skin. A bath with Aloe Body wash soothed all irritation completely.

SKIN CARE FOR BABIES

Grace is passionate about delivering a skin care range free from any hidden nasties and toxins, which is safe for your whole family.

Grace proudly formulates a skin care range rich in organically grown Aloe Vera and natural & botanical ingredients, that administer health, hydration and protection to young, sensitive skin.

For over 30 years, families all over the world have enjoyed the gentleness and effectiveness of Grace Skin Care products.

GRACE
skin care

ALOE BODY WASH

200mL tube 42061

\$27.00

Gentle, botanical wash for the whole family.

Our gentle body wash formula will cleanse and hydrate whilst protecting the natural oils in your baby's sensitive skin. Formulated with natural botanical ingredients, including organically grown Aloe Vera, Honey, Kakadu Plum and Green Tea extract.

Benefits:

- Hydrates your baby's skin, preventing dryness
- pH balanced formula suitable for babies, children and the whole family
- Paraben, sulphate and soap free
- Low allergen

ALOE HAND & BODY LOTION

100mL tube 42029 \$25.00 or

200mL bottle with pump 42045 \$35.00

Gentle, hydrating whole body moisturiser, perfect for sensitive young skin.

Carefully formulated with organically grown Aloe Vera, Vitamin A, D3, E and Soybean Oil, Aloe Hand & Body Lotion softens and nourishes your baby's delicate skin. Excellent after bath time and gentle enough to use morning and night. Apply at each nappy change to protect from nappy rash and repair sore red skin.

Benefits:

- Excellent for dry and sensitive skin
- Paraben and sulphate free
- Low allergen

VITAL SKIN OILS

30mL bottle 10241

\$38.50

Calming natural oils to relax your baby and nourish their sensitive skin.

Our beautiful blend of natural and botanical oils provide calming and soothing effects, perfect for adding to your baby's bath water and for after bath massaging. Vital Skin Oils will replenish essential vitamins to young, developing skin with organically grown Aloe Vera, Safflower Seed Oil, Jojoba Seed Oil and Vitamins A, E & D3. Apply and massage through your baby's scalp to treat cradle cap.

Benefits:

- Excellent for sensitive skin, dermatitis, eczema, cradle cap and stretch marks
- Promotes cell growth
- Soothes redness and irritated skin
- Water soluble and pH neutral, suitable for babies and children
- Suitable for sensitive areas including around the eyes

ALOE MEDICATED SKIN CREAM

100mL tube 42128

\$28.00

Therapeutic relief for your baby's skin concerns.

Provides soothing relief for a wide range of skin concerns including nappy rash, cradle cap, bites, minor burns and skin irritations. Natural ingredients including organically grown Aloe Vera, Vitamin E, Apricot Oil and Safflower Oil also help to hydrate and protect your baby's young, sensitive skin.

Benefits:

- Relieves the discomfort of nappy rash, cradle cap, eczema and dermatitis
- Provides relief from itchy red rashes
- Soothes redness of sunburn or windburn

PURE ALOE GEL WITH MANUKA HONEY

100mL tube 10651

\$31.00

Calms & soothes your baby's inflamed skin concerns.

Our organically grown Aloe Vera provides essential minerals, vitamins, enzymes, amino acids and polysaccharides for young, healthy skin. Our 100% pure Manuka Honey has a unique, non-peroxide activity to control infections and inflammations whilst soothing and comforting your baby.

Benefits:

- Excellent for nappy rash, cradle cap, eczema and dermatitis
- Reduces the redness of sunburn, windburn and any other minor burn
- Contains antiseptic properties which clear and soothe itchy rashes and skin irritations.

ALOE BODY POWDER WITH LAVENDER

75g 42538

\$25.00

Natural ingredients absorb excess moisture for smooth, fresh skin.

A natural, gentle blend including organically grown Aloe Vera, Corn Starch and Oat Flour to absorb excess moisture. Provides a protective layer over your baby's skin for everyday freshness. The soothing scent of Lavender eliminates odours and encourages relaxation.

Benefits:

- 100% free from talc
- No parabens or sulphates
- Reduces friction and chafing around the nappy area
- Instantly protects and freshens
- Soothing Lavender scent
